

TEMPORARY STAFF RECRUITMENT

We relieve you of as many administrative tasks as possible, allowing you to concentrate on your core business. This includes screening candidates and providing them with all necessary documents and work permits for employment.

TEMPORARY POSITIONS

iET acts as the employer and is the first point of contact for candidates. We take care of social security insurances and offer a range of pension fund models to employees. Essentially, all employer risks are assumed by iET. We use our recruiting expertise to present you with a selection of suitable candidates for each role.

WE OFFER

- Large and high-quality candidate network
- Over 30 years of industry experience
- Highly qualified recruiting and HR team capable of handling the most complex of Set-ups
- Highest flexibility to adapt to your structures and processes

Profiles

- IT
All profiles from supporter to software developer to IT project manager or CIO
- Business
All profiles from assistant to project manager to business analyst or strategy consultant
